MYSORE GOVERNMENT SECRETARIAT
NO .....

ANIMAL HUSBANDARY & FOREST BRANCH

Sir,

Sub:-Release of lands out of S.No.12 of Kudagi Village, Kandalike Hobli, Heggadadevanakote Taluk.

Ref:-This office report of even number dated 11-7-1957.

I forward herewith a copy of letter No.RC 872 dated 8-7-1957 of the District Forest Officer, Mysore with copies of its enclosures received through the Conservator of Forests, Coorg Circle, Mercara for favour of kind perusal. In the circumstances reported therein it has not been possible to release the area as ordered in G.O.No.AFD 12 DAR 57 dated 26-3-1957 to the Revenue Department. I have asked the District Forest Officer, Mysore to furnish me a sketch showing the exact situation of the S.No.12 of Kudagi village and the extent actually included in the State Forest and if any portion of this has been under cultivation. On receipt of his report in the matter further communication will be made to Government.

Yours faithfully,

(M.A.MUTHANNA)
Chief Conservator of Forests.

Letter No.RC 872 dated the 4th/8th July 1957 from the District Forest Officer, Mysore to the Conservator of Forests, Coorg Circle, Mercara.

Sub:-Release of land out of Forest S.No.12 of Kudagi village Kankalike Hobli, Heggadadevankote Taluk.

With reference to your D.O. letter No.A1-59-1325/57 dated 10th June 1957 on the above subject, I submit herewith a copy of report No.241 dated 19th May 57 together with its enclosure of the Forest Sub Division Officer, Heggadadevankote, for kind perusal and to state as follows:-

The Government order No.AFD 12 DAR 57 dated 26th March 1957 states that 140 acres of land which is already under cultivation by 35 Kurubars may be disafforested and handed over to the Revenue Department. But from the report of the Sub Division Forest Officer it is made out that no land under cultivation exists either in Alaganchi State Forest or in S.No.12 of Kudagi Village. Besides all the applicants are not Kurubars as stated in Government order.

It may be kindly perused from the report of the Sub Division Officer that the Amildar, Heggadadevankote Taluk issued Saguvali chits to the 35 cultivators and referred the matter to the Department for realisation of the 'malki' When the issue was objected to by the Department, they were withdrawn.

The Government order now issued is perhaps on misrepresentation of facts.

~~The question of release of the land from~~

The question of release of the land from Alaganchi State Forest does not arise at all as there is no cultivation anywhere in the State Forest. I solicit your kind orders

---

Copy of letter No.241 dated 19-5-57 from the Forest Sub Division Officer, Heggadadevankote to the District Forest Officer, Mysore.

Sub:-Release of 140 acres of land in S.No.12 of Kudagi village Heggadadevankote Taluk, Kandalike Hobli.

Referring to G.A.No.AFD 12 DAR 57 dated 26th March 1957 on the above subject, I write to state that the Amildar, Heggadadevankote Taluk in his No.D.C.D 82/55-56 dated 25th November 1956 advised me that 140 acres of land had been granted to 35 persons out of S.No.12 of Kudagi village, Kandalike Hobli in Heggadadevanote Taluk and asking me to realise any 'malki' over the said areas within three months.

I inspected and land on 11th February 1956 and observed that as per the demarcation by the Taluk Surveyor, more than half the said grant lying in S.No.12 included in Alaganchi State Forest (during settlement). This overlapping was thought to be owing to some error while preparing the rough sketch attached to the darkhast proceedings by the Taluk officials. I intimated the fact to the Amildar, Heggadedevankote in my No.397 dated 13th February 1956 with due report submitted to the District Forest Officer, Mysore in the matter.

On the report of the District Forest Officer in No.RC 282 dated 3rd May 1956 addressed to the Deputy Commissioner on the subject I learn that the saguvali chits issued were withdrawn from the said grantees. Thus, the question of cultivation inside the State Forest does not at all arise. I learn that the grantees were issued saguvali chits subject to the condition that they should enter upon the land only after realisation of the 'Malki' by the Forest Department. In the meanwhile and before occupancy by the said grantees, the saguvali chits were withdrawn.

Now as per the Govt. order cited above, the land under cultivation in S.No.12 of Kudagi village has to be surrendered to the Revenue Department. But, there is no land under cultivation in S.No.12 of Kudagi village or anywhere in Alaganchi State Forest.

Secondly as per the original demarcation by the Revenue Department only about half the area situated in the State Forest. A copy of report No.93/57-58 dated 4th May 1957 from the Range Forest Officer, Ainurmarigudi Range is also enclosed for favour of kind perusal.

Under the circumstances I request for your kind orders if the question of release of 140 acres of land from Alaganchi State Forest even then does arise.

Copy of report No.93/57-58 dated 4th May 1957 from the Range Forest Officer, Ainurmarigudi Range to the Forest Sub Division Officer, Heggadadevankote.

Sub:- Disafforestation of 140 acres of land in S.No.12 of Kudagi Village and surrendering the area to the Revenue Department for being granted to Sri Lakshma Naika and other 34 members of the Hill and Forest Tribes for cultivation and formation of a colony at Kudagi.

With reference to yyour memo No.76 dated 15th April 1957 on the above subject, communicating the Government order No.FAD 12-DAR-57 dated 26th March-57 in respect of the disafforestation of 140 acres of land in S.No.12 Kudagi Village for being granted to 35 persons of Hill and Forest Tribes, I beg to report that this area was inspected by me on 30th April 1957 with Betta Kurbars.
When I called up Lakshma Naika, the pettioner he was not at all seen at the place. When I asked the Kurubars present there, to show the area in question, they showed the area proposed to be released for cultivation in Alaganchi State Forest. But the area disafforested is in Kudagi village S.No.12. The sketch prepared by the Revenue Inspector while building up the darkhast record in respect of grant of land to 35 hill and forest tribes in S.No.12 of Kudagi village may kindly be made available to determine the exact area. The Kurubars have represented that they wanted the land in Alaganchi State Forest. Further the Forest Surveyor may kindly be deputed to measure the area and to fix up boundary lines in respect of the area disafforested.

Solicit kind instructions in the matter.

Sir,

Sub:-Release of lands out of S.No.12 of Kudagi village, Kundalike Hobli, Heggadadevankote Taluk.

Ref:-This office letter of even number dated 29-7-1957.

It has been reported by the District Forest Officer, Mysore that out of the total area of 301 acres 26 guntas of S.No.12 of Kudagi village an extent of 147 acres 26 guntas are included in Alaganchi State Forest and that Saguvali chits were issued by the Amildar Heggadadevankote Taluk for 35 persons at the rate of 4 acres each totalling to 140 acres without consulting the Forest Department and that Saguvali chits were withdrawn when the forest department objected to its grant. Hence there are no lands under cultivation within the State Forest for which Saguvali chits were issued by the Amildar for being released as contemplated in G.O.No.AFD 12 D.A.R. 57 dated 26-3-57. The area included in the State Forest is a good timber forest which has not been cultivated and that there are 154 acres of the same Survey number outside the State Forest. In the circumstances orders of Government may kindly be obtained whether the Government order dated 26-3-1957 referred to above which is based on the assumption that the lands are already cultivated and which is not correct should still be given effect to.

The sketch of the Survey number accompanies for reference and return.

Yours faithfully,

(K.KADAMBI)

Sir,

Subject: Release of lands out of S. No. 12 of Kudgi Village Kandalike Hobli, Heggadadevankote Taluka.

Reference: Your letter No. B3-27-1398/57, dated 29-7-57 and 10-9-1957 on the above subject.

I am directed to state that on going through the letter No. 241, dated 19-8-57, of the Sub Divisional Forest Officer, Heggadadevankote, it is found that there is some confusion about the exact piece of land that is to be released for cultivation to the members of the Hill and Forest Tribes of Heggadadevankote Taluka as ordered under Government Order No. AFD 12 DAR 57 dated 26-3-57.

You are therefore requested to direct the District Forest Officer, Mysore to personally inspect the exact area which is to be released for cultivation in company with the appropriate revenue authority preferably Sub-Division Officer, if not the Deputy Commissioner in the presence of the representatives of the members of the Hill and Forest Tribes under reference and submit a detailed report about the area and S.Nos. of the lands which are required by the Hill tribes and which are to be released for cultivation with a clear sketch of the area along with S.No.12 of Kudgi and Alaganchi Forest.

Issued

The representation to the Chief Minister was that 140 acres under cultivation by 35 members may be disafforested and accordingly orders were issued. It is now said that no land is under cultivation in State Forest and that Kurubars ask land in Alaganchi Forest. As it is intended to form a Co-operative Farming Colony, the matter is really urgent and after a joint inspection, a final report may be sent within a fortnight with the concurrence of Revenue authorities.

To

The Hon'ble Minister for Forests,
Government of Mysore,
BANGALORE.

Sir,

Regarding delivery of Possession of 140 acres of land in survey No.12 of Kudagi Village, Kandalike Hobli, Heggadadevankote Taluk, which has been released from the forest area as per G.O.No.A.R.D.12 D.A.R. 57 dated 26th March 1957.

&

Government were pleased to order in A.R.D.12 D.A.R.57 dated the 26th March 1957 that an extent of 140 acres of land in Survey No.12 of Kudagi Village Heggadadevankote Taluk be disafforested and surrendered to the Revenue Department for being delivered to us for purposes of permanent cultivation.

On 26-11-57 we produced a certified copy of the sketch showing the situation of the land which had been originally granted to us by the Taluk authorities before they revoked the grant on the ground that it forms part of forest area.

We submit that Government intended to restore the said land to us and it is this plot of land (shown in red colour in the sketch produced on 26-11-57) that has to be disafforest and surrendered to the Revenue authorities.

We have waited all these years hoping that we would be placed in possession of the land in question but our hope has not yet been fulfilled.

We are at present landless and have no means of subsistence whatever and we submit that the matter is urgent since as many as 35 families are on the brink of starvation.

We therefore humbly pray that suitable instructions be issued to the concerned Forest authorities to surrender

P.T.O.

the said plot to the Revenue Department so that possession may be delivered to us immediately.

We beg to remain,
Sir,
Yours obediently,

Dated 20-12-1957.

OFFICE OF

~~The Chief Conservator of Forests~~
~~in Mysore, Bangalore.~~

Date ~~28. 1-1958.~~

To

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

Sub:-Release of lands out of S.No.12 of Kudagi village, Kandalike Hobli, Heggadadevankote Taluk.

Ref:-Your letter No.AFD 12 DST 57 dated 27-1-57, 7-12-57 and 8-1-1958.

I forward herewith a copy of note on the joint inspection of the area by the Deputy Commissioner, Mysore District and the District Forest Officer, Mysore for favour of kind perusal. As opined therein, the available area of 154 acres outside Alganchi State Forest may be given to the applicants subject to leaving a buffer zone of 110 yards from the 'D' line of Alaganchi State Forest. But in view of the disadvantage of the permanent cultivation of this area infested with wild animals, the other alternative suggested in last para of the joint report for colonising these people at Nemmanahally within four miles from Kudagi and where a colony is already reported to exist would be a better proposition.

Order of Government may kindly be obtained and communicated to me early.

The two applications received with your No.AFD 12 DST 57 dated 7-12-57 and 8-1-58 accompany.

Yours faithfully,

(K.KADAMBI) 28/1/58

FINDINGS OF THE JOINT INSPECTION BY THE DEPUTY COMMISSIONER AND THE DISTRICT FOREST OFFICER, MYSORE.

Sub:-Release of lands out of S.No.12 of Kudagi village, Kandalike Hobli, Heggadadevankote Taluk.

Ref:-Letter No.AFD. 12 DST 57 dated 27-11-1957 from the Secretary to Govt. Agriculture and Forest Department, Bangalore.

S.No.12 of Kudagi village was inspected by the Deputy Commissioner and the District Forest Officer on 16-1-1958. The extent of land in S.No.12 of Kudagi village is 301 acres and 26 guntas as per the 'Index of lands'. Out of this area, an extent of 147 acres and 26 guntas is included in Alaganchi State Forest as per G.O.No.G.5079-82-Ft.313-26-4 dated 31-10-1928. Thus, leaving a balance of 154 acres of land at the disposal of the Revenue Department.

No land from the said S.No.12 included in the State Forest is under cultivation. At the time of inspection, no Kadukurubar family (Hill tribe) was found residing in the village except a few families of Lambanis and Adikarnatakas. It was learnt that the Kadukurubars who were once residing in the village temporarily had left the locality some time back.

On local enquiry, it is learnt that the village is frequently invaded by wild animals, particularly elephants, so much so, it is difficult to protect cattle and crop against the ravage of these wild animals.

Kudagi village, abuts Alaganchi State Forest which forms a part of Venugopala Wild Life Park, formed as per G.O.No.A.F.6126 Ft. 128-40-4 dated 19-2-1941. The village is situated at a vantage point through which wild animals, particularly the elephants move about throughout the year to drink water in the Nugu River, which abuts the said village to its east. Thus, any protection against the havoc of these wild animals appears to be almost impossible. Still, any effort on the part of these tribal people to settle at Kudagi may be meted out by way of distributing lands out of the remaining area of 154 acres in S.No.12 of Kudagi village, leaving the required buffer margin from the State Forest as an experimental measure and at the risk of the cultivators.

Alternatively, these people may also be colonised at Nemmanahally where there is already a Hill tribe colony in existance and which is hardly four miles from Kudagi village. Nemmanahalli being easily accessible to the Inspecting Officers for frequent visits, the welfare of these people can well be looked after unlike Kudagi village. This also solves the other major problems like crop and cattle protection.

I write to state that the land in question was inspected by me jointly with the District Forest Officer, Mysore on the 16th of January 1958. I enclose herein a copy of the note of the joint inspection.

It was noticed during the inspection that that there were no traces of the lands ever having been brought under cultivation. There is thus no need for the land being released from the State Forest on the ground that the land is already under cultivation. If Government still feel that the land should be granted to them after being released from the State Forest for any other reason or any other grounds, Government may do so. If in the alternative, it is considered that the persons should be granted some lands in view of their poverty but not necessarily the lands in question, the lands will be granted to them from out of the adjoining District Forest or from out of Government land under the contr of the Revenue Department elsewhere after the general "Stay Order" issued by Government in their order No. R.S.P.R 76-77/57-58 dated 26-7-57 is vacated.

Please refer to the correspondence resting with your letter No.C2.PR.140-C/1022/57-58 dated 25th January 1958 regarding release of land out of S.No. 12 of Kudige village in Heggadadevanakote Taluk.

The proposal submitted by you and the District Forest Officer, Mysore in the report dated 25-1-1958 after inspecting the area has been examined. It will not be possible for the Forest Department to release any of its area asked for by the Kadukurubas for their rehabilitation since the area now forms part of the State Forest. Government feels that attempts should be made without any further delay to rehabilitate these landless Kadukurubas in some other suitable place.

I am accordingly to request you to take such steps as are necessary to ensure that these persons are rehabilitated by giving them suitable lands elsewhere for cultivation as early as possible.

Action taken in this behalf may kindly be reported to Government.

Your memo No AFD 12 DST 57 dated 23-9-58.

In enclosing this office file No. B-27-1398/57 (Pages 1 to 137) on the above subject I have to state that a detailed report has already been furnished to Government under this office letter of even No. dated 26-4-58(page 113). subsequently Government in their No. AFD-12 DST 57 dated 6-5-58(Page 123) have directed the Deputy Commissioner, Mysore District to rehabilitate these Kadukurubars in some other suitable place. In the circumstances I have no further remarks to offer in this behalf.

The Government order No.AFD 12 DAR 57 dated 26-3-57 referred to in the application is at page 3 of the file and in this connection I have to point out that the order issued in the G.O. dated 26-3-57 referred to above has also been cancelled by Government after careful reconsideration in their No.AFD 12 DST 5 of dated 8-7-58(page 137).

The applications are retransmitted. This also disposes of the application received under your memo No. 591/Ft dated 12-12-56

2. As desired by the Forest Minister, I inspected the area on 5-4-1958. Sri Dasegowda was present along with a considerable number of Kurubar families. S.No.12 included in Alaganchi State Forest and the adjoining S.No.5 of Begur were gone over in detail. Inspection revealed that perhaps over 40 years ago, the Kurubars i.e. the forefathers of the present generation had cultivated by "takkal" small bits of ground adjoining the Kudige Halla and its feeders. As already reported, this area was included in Alganchi State Forest about the year 1928. At present this old cultivated area or takkaled area is covered with dense forest of miscellaneous kinds including Bamboo and fair sized Dindiga, Bombax, Honne and other tree species. Small bamboo also is present which has been reduced to bushy condition by wild elephants and other game which is abundant. A herd of spotted deer was also seen as we were inspecting the area. At present the area forms part of the Venugopal Wild Life Park. It is teaming with game. At the time this area was granted as per Government Order No.AFD 12 DAR 57 dated 26-3-1957, the Forest Department was not consulted. The land was, as stated above, probably under cultivation at least forty years ago and to-day it is dense forest. Records show that the release of this area by the Revenue Department out of the total area of 355 acres and 20 guntas, belonging to S.No.12 of Kudige Village was done probably by mistake, because the revenue records have not been correctly posted up. There is a cut demarcation line which is re-cleared year after year whose presence would have indicated to the Revenue Authorities that this is part of a State Forest. Probably, no inspection has been done. The Government order sanctioning the land for cultivation for 35 persons reads "that the area already under cultivation should be dis-afforested and surrendered to the Revenue Department". There is no such land within ~~such~~ State Forest in S.No.12 and as above stated the last vestige of Takkal cultivation would have taken place at least 40 years ago. The order has emanated probably by a mis-statement of fact on the part of some one or by mis-understanding the existing circumstances of the case. I enclose herewith a sketch indicating the area now asked for by Sri Dasegowda on behalf of the Kurubars. The portion marked with red and indicated in the reference as Takkalu area in forest is being asked for by Sri Dasegowda. It covers 81 acres within the forest belonging to the Kudige Village and another 17 acres within the State Forests belonging to Begur Village. Sri Dasegowda has frequently urged the release of this land on the score that bits of it were under cultivation perhaps long ago.

P.T.O.

He has repeatedly come and represented to me that the release should be made immediately. In this connection, it may be of interest to Government to learn that many of the Kurubar families who were assembled on the date of my visit had been summoned by Sri Dasegowda from the Nemmanahally Colony and its adjoining villages. This Colony has been established for the Kurubars by the Department of Tribal Welfare. In other words, at least a portion of Kurubars who were confronted with me on the date of my visit belong to this Nemmanahally settlement where the Tribal Welfare Department has established a Colony for them.

3. Government may, therefore, be requested to pass orders as they deem fit on the application of Sri Dasegowda which was returned to Government along with this office letter of even number dated 28-1-1958.

BANGALORE - 1.

Sir,

Regarding delivery of possession of 140 acres of land in Survey No.12 of Kudagi Village, Kandalike Hobli, Heggadadevankote Taluk, which has been ordered to be released from the forest area as per G.O.No. ARD.12 DAR.57 dated the 26th March 1957.

In accordance with the spirit of the constitution of India and the directive principles of state policy enjoining on the State the duty and responsibility of rehabilitating the members of the schedule castes and tribes, Government were pleased to order in their G.O.No. ARD.12 DAR 57 dated the 26th March 1957 that an extent of 140 acres of land in Survey No.12 of Kudagi Village, Kandalike Hobli, Heggadadevankote Taluk which was originally granted to 35 members of the Schedule tribes by the Revenue authorities of Heggadadevankote Taluk be disafforested and surrendered to the Revenue department for being delivered to the grantees.

The portion so granted is shown in red colour in the certified copy of the sketch which we produced before the Hon'ble Minister for Forests.

Thereupon the Chief Conservator of Forests visited the spot and submitted to Government a detailed sketch showing the particular plot ordered to be disafforested with a view to the said plot being handed over by the forest department to the Revenue authorities so that the latter may in turn deliver the same to us.

It is nearly a year and four months since the Government order was passed and yet delivery of possession has not been effected.

We represent 35 families and the total number of

of persons belonging to the said families exceed 300.

Sir,

Sub:- Delivery of possession of 140 acres of land in S.No. 12 of Kudagi village, Kandalike Hobli, Heggadadevanakote Taluk - Granted to members of the Scheduled Tribes.

Ref:- Your D.O. letter No. 5/59 dated 9-1-1959.

The land was not released to the Scheduled Tribes in pursuance of Government Order No. AFD-12-DST-57 dated 6-5-58 and based after thorough investigation that it is not necessary for the Kadukurabars, inview of the fact that a seperate colony has been established in the same area for them hardly 4 miles away from S.No. 12 of Kudagi village. In short, there was no need to give them the land and further land could not be released in the interest of the Wild Life Preservation and Forest Conservancy, because it forms the part of the Venugopala Wild Life Park of which the famous Bandipur Game Sanctuary forms a portion.

The entire file (No. B3-27-1398/56) of this office (pages 1-137) on the subject has been forwarded to Government under this office letter of even number dated 20-10-1958 as desired in Memo No. AFD-12-DST-57 dated 23-9-1958 and the same may kindly be returned if no longer required.
